Suburban Acres Neighbors,

Come celebrate! Your Civic League has planned a fun evening of neighborhood camaraderie to welcome in the beautiful harvest season and to bring us closer together as a community. The *Family Harvest Celebration* will be held from **6:30 - 8:30PM on Saturday, October 25th** amidst the festive Halloween light display at the Padgett's home at **314 Suburban Pkwy.**

There will be a Carved Pumpkin Contest and a Chili Cook-Off with prizes for the best entries. So if you have carving skills, bring your completed artwork. If you have the award winning recipe, bring along a crock-pot and let your neighbors decide! The Civic League will provide refreshments and mini pumpkins for the kids to decorate during the party. This will be a great time to meet some of your neighbors. We're looking forward to seeing you!
