## From the President

The October 12 SACL meeting is where the civics "rubber meets the road!"

What could be more civic-minded than an awareness of and familiarity with those we choose to represent us in the state legislature...and participating in that choice by voting this November 3rd?

Candidates for the November 3rd General Assembly election will appear in a forum at our meeting. We will have as our guests both candidates for the 100th District House of Delegates race: the incumbent, Delegate Robert Bloxom Jr. (R, Accomack) and challenger Willie Randall (D, Cape Charles), as well as candidates for the 6th Senate District, Senator Lynwood Lewis (D, Accomack), the incumbent, and opponent Robert Ottinger (R, Norfolk).

Our Virginian Pilot has withered away to nothing with almost no local news anymore, and other local media outlets have done a poor job of covering the candidates, their ideas, and the issues. So join us and meet all four of your General Assembly candidates in person and question them on the issues.

*Kevin*

## Meeting Minutes for September 14, 2015

Meeting called to order by President Kevin Janney at 6:35 pm. There were 29 members/residents and 2 visitors in attendance.

### Pledge of Allegiance

The August meeting minutes were approved without correction.

### Community Resource Officer Report – Officer William Old, III.

Officer Old first spoke about a scheduled on-site assessment for the Norfolk Police Department, which is part of a program to obtain its first accreditation by the Commission of Accreditation of Law Enforcement Agencies (CALEA). As part of the on-site assessment, agency employees and members of the community are invited to offer comments at the 3rd Patrol Division Community Room, located at 901 Asbury Avenue in Norfolk on 13 October, 2015 at 6 pm. Or you can email comments to [calea@norfolk.gov](mailto:calea@norfolk.gov). All emails will be forwarded directly to the on-site assessor for review.

Crime Status: 9 reported crimes in our neighborhood. A couple cars broken into on W. Kenmore and Fife. Items taken from cars. A motorcycle was also stolen on W. Kenmore. As always, please take all your valuables out of your cars. Do not leave items that can be seen through the windows. Keep your cars locked! Also with school back in, you will have students coming through the neighborhoods. If you see anything suspicious please report it!

The Police are still stopping vehicles for speeding on Virginian and Suburban Pkwy. Catching several running the stop signs.

### Program – Taylor Miller, Donor Relations Coordinator, Foodbank of Southeastern VA

The food bank shelves are very low on food. There is always a shortage in the summer because they are not considered the “giving months” like over the holidays. Many students only eat once a day and rely on food from the food banks (such as the Backpack Program, that sends home food for weekends to Suburban Park students).

19 million pounds of food are given out per year. You can go to their website to see what types of foods they need. Proteins like peanut butter are needed all the time.

The SACL had boxes available to drop foodbank donation items in. Thank you to all who donated.

### Committee Reports –

**Treasurer**-Mary Ann Grogan reported as of 31 August: \$1,086.94. The newsletter payment went out as well as payment for our mailbox.

**Neighborhood Liaison**-At the Greater Wards Corner Task Force meeting which Karen Mayne attended they spoke about: The sale of the Wards Corner Kroger and Work Force Center. As of now they will remain until the end of their leases. There are currently no official plans for that site. The SAMS Club at Southern has a tentative opening of November 5th. The Parcel of land behind the Wendy's and Farm Fresh at Wards Corner is up for sale.

They spoke about the concerns of the medians on Granby after the gas service work, and other needed landscaping around the city. The city is looking at contracting out landscaping services.

### Old Business –

There were several neighbors who are being affected by the new sports field being built at Norfolk Collegiate, who are concerned that some assurances given by Collegiate have not been kept, particularly the fence quality and setback, and landscaping. A few neighbors have attended a meeting about the new facility and we are still trying to reach out to the headmaster to set up another meeting to go over the initial plans and why they changed without notifying the neighbors on Woodfin as promised. This is an ongoing issue and will be discussed as the next meeting provided we get in contact with the school. The SACL took a vote and approved us go to the school with our request.

### New Business –

A request was made to go to the city and request that “No Parking” signs be put up on Woodfin Ave on the school side (West). The road is already too small and with the new field the residents are concerned that students and field participants will park on their street during events, hindering access for residents and emergency vehicles. A vote was taken and all approved.

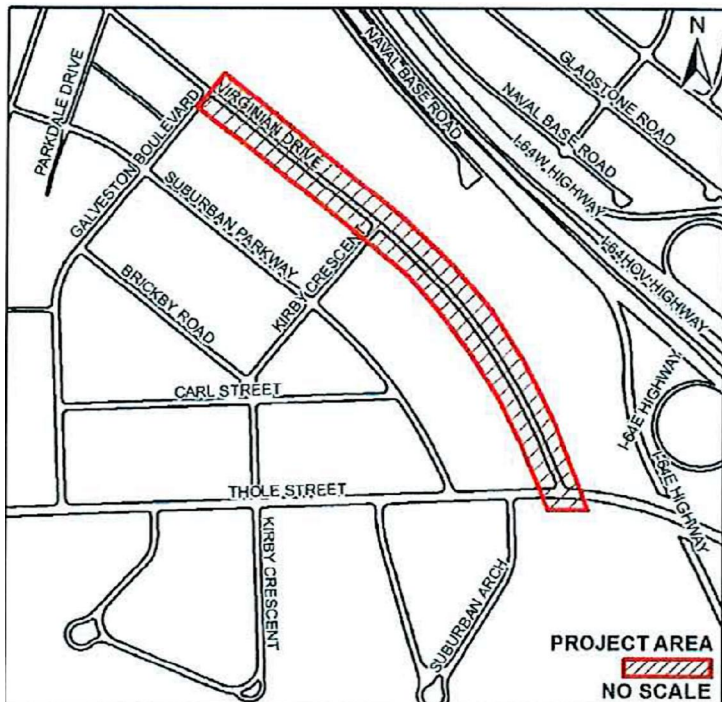

### Announcements—

Continued...see “Minutes” page 3

**Suburban Acres Civic League Mission:** The SACL will facilitate opportunities for neighbors to:  
1) build relationships, 2) keep aware and engaged in matters impacting the community, 3) enhance community preparedness and security, and 4) develop a culture in which the community youth learn (by example and participation) to be active and effective citizens.

Replacement of the water main in the 400-500 blocks of Virginian Drive is scheduled to start in early November

### Virginian Drive water main upgrade construction to begin in November

Norfolk Department of Utilities engineer David Speer contacted the civic league with news regarding the long-planned water main upgrade on Virginian Drive. According to Speer the construction contract for the 16-Inch water main project is executed and the contractor has been given a Notice To Proceed date of November 1, 2015.

The project area will receive new water pipes and resurfaced streets. Speer says the contractor will do its best to minimize disruptions, some of which are unavoidable. Neighbors may notice utility marking and survey work in the area prior to construction.

Specific questions can be directed to the city's on-site project supervisor, Michael Gomes at 390-7535. Mr. Speer can be reached at 664-6724. The civic league looks forward to having Mr. Speer appear at the November 9 civic league meeting to provide a project update and answer questions.

The \$900,000 project is scheduled to be completed by Spring 2016. The contractor is T.A. Sheets.

### Norfolk Police Dept. seeks community input, accreditation

The Norfolk Police Department is scheduled for an on-site assessment as part of a program to obtain its first police agency accreditation by verifying that it meets professional standards. Administered by the Commission of Accreditation for Law Enforcement Agencies, Inc. (CALEA), the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a Public Information Session on October 13, 2015. The session will be conducted at the Third Patrol Division Community Room, located at 901 Asbury Avenue in Norfolk, Virginia. The Public Information Session is scheduled to begin at 6 pm. Agency employees and the public may also offer comments by calling 664-8204 between the hours of 1 to 3 pm on October 13.

Telephone comments, as well as appearances at the Public Information Session, are limited to ten minutes and must address the agency's ability to comply with CALEA standards. A copy of the standards is available at the Norfolk Police Department, Police Administration Building, located at 100 Brooke Avenue. The local contact is Accreditation Manager Lieutenant Karen Alsup. Lieutenant Alsup can be contacted at 664-3299 or by email at karen.alsup@norfolk.gov.

### Foodbank receives donations at September SACL meeting

At the September 14 Suburban Acres Civic League meeting residents were encouraged to bring non-perishable food items to help stock the Foodbank of Southeastern Virginia and the Eastern Shore after slow donations through the summer.

Foodbank Outreach Coordinator Taylor Miller attended the meeting and provided a short presentation on the foodbank, and received the donations. Miller reports the civic league donated a total of 64 pounds of food items, which translates to approximately 53 meals.

Miller said, "Every little bit helps, especially when we distributed over 16.1 million meals last fiscal year."

The Foodbank serves those who are hungry throughout a 4,745 square-mile service area and distributes emergency food to over 400 partner agencies including soup kitchens, food pantries, emergency shelters, as well as Foodbank programs like Mobile Pantries, Kids Cafe® and Backpack Programs.

Donations are accepted online at [www.foodbankonline.org](http://www.foodbankonline.org). Checks may be sent to the Foodbank of Southeastern Virginia and the Eastern Shore, P.O. Box 1940, Norfolk, Virginia 23501. To volunteer or donate food items call 627-6599.

# SUBURBAN ACRES **GREEN**

By Karen Mayne  
September 2015 –  
Rabies and Animal Bites

Fall is a good time to "put away" your yard for the winter. Doing these chores before the busy holiday season will ensure that you have a safe and nice looking property throughout the winter and into the spring. The cool weather of autumn makes tackling these projects a little easier.

We all like to look at the well maintained yards of our neighborhood – which is one of the reasons we love living in Suburban Acres. Flora the Mermaid, our civic league mascot, graces a yard each month to honor someone who does an especially good job of keeping a beautiful yard. Nicely landscaped yards help maintain the appearance of our neighborhood, improve security, and keep home values up. In fact, studies show that nice landscaping can increase the value of a home when it comes time to sell.

Here are some things to do to get your yard and house ready for the winter.

**Prune back overgrown shrubs around doors and windows.** Pruning bushes too close to the house or blocking windows will improve security and give a tidy, lived in look to your house during the dark days of winter.

**Edge the grass along sidewalks.** This will prevent tripping hazards for neighbors and guests (and our postal carriers), and will make it easier to clear snow during the winter. Property owners are responsible for maintaining the sidewalk and grassy area between the sidewalk and the street in front of their property. If street trees have low limbs that are dangerous to walkers or block views at stop signs, the City is responsible for fixing these problems. Report the problem to the City of Norfolk's Cares Assistance Center at 757-664-6510, or use their on-line reporting form at [www.Norfolk.gov/311CallCenter](http://www.Norfolk.gov/311CallCenter). You can also call the Cares Center to report sidewalk cracks, tree root lifting, or pothole problems.

**Mulch fallen leaves back into the grass with your lawn mower for a free fertilizer boost.** Alternatively, you can bag leaves with your lawn mower attachment to use as mulch in flower beds or add to your compost pile. Never put leaves in the street – the leaves will clog storm drains, which causes street flooding and pollutes the Lafayette River.

**Clean leaves and pine straw out of gutters and off roofs.** With winter rains approaching, free flowing gutters will ensure no rainwater back-ups, which could lead to leaks around your lower roof and potential ice dam problems in freezing weather. Heavy accumulations of pine straw can weigh down roofs and contribute to roof leaks.

**Caulk and paint windows, doors, and trim.** This will stop air leaks into the house

and will ensure that wood trim remains solid and strong and doesn't rot.

While many of us can do these chores ourselves, other folks may not have the time or ability to tackle them. What to do? Often, neighborhood teens are looking for odd jobs and may be able to do these projects for you. Or ask neighbors who they use for their lawn care and handyman services. Some churches, military units, and social organizations have programs to help with handyman services.

### New neighborhood gateway sign installed

A new entrance sign graces the Granby Park side of the neighborhood at Granby Street's intersection with Granby Park.

The neighborhood submitted a N.I.C.E. (Neighbors Initiating Community Enhancements) block improvement request in Spring of 2013 for improvements to the Granby Park 'neighborhood entrance' area along Granby Park where it joins Granby Street. Norfolk's N.I.C.E. Block! Program is a joint effort between residents and city staff to identify feasible improvements using Capital Improvement Project (CIP) funding.

The project included re-shaping of the Granby Park medians for aesthetics, and improved access to Norfolk Collegiate property for delivery trucks. Delivery vehicles were having trouble negotiating the cut through, and had damaged the old concrete median borders. The neighborhood proposed removing a long, narrow concrete turn lane barrier in that location, which the city performed prior to repaving.

There was some dispute on the name placed on the sign. Some long time residents insisted Glen Echo Shores was the proper name for that area. The city researched the issue, and according to land records and original development plats for that part of the neighborhood, it was developed as Granby Park.

SACL will work landscaping for the new medians in the Spring.

### Yard of the Month September 2015

Flora, the Suburban Acres Civic League mermaid, was starting to get ancy for her seasonal hiatus to warmer climes, but then really enjoyed the cool autumn weather that blew in after the recent storms. Flora REALLY enjoyed the autumn decorations and beautiful landscape at the home of Deanne & Richard Torlone at 7523 Yorktown Drive. So much so she awarded the Torlones as the September 2015 SACL Yard of the Month. Congratulations, Torlones!

### What Do Symptoms Really Mean?

The traditional "disease-focused" methodology of health care teaches that symptoms are the first sign of illness. Since a wealth of research confirms that symptoms are delayed in many diseases, a focus on prevention of conditions *before* symptom onset makes perfect health sense.

Nerves exit the spinal cord between vertebral bones (vertebrae). Consequently, researchers theorize that dysfunction in the spine may hinder nerve flow to vital organs and structures throughout the body.

Symptoms associated with *vertebral subluxations*, dysfunctional areas of the spine where movement is restricted or vertebrae are slightly misaligned, often don't occur until a disorder's latter stages.

Subluxations are linked with an increased risk of osteoarthritis, back pain, neck pain, sciatica, carpal tunnel syndrome, intestinal problems, headache, asthma, and ear infections.

Like anything else, an ounce of prevention is worth a pound of cure when it comes to vertebral subluxations, so Dr. Robinson focuses on prevention of spinal disorders *before* the onset of symptoms. He corrects these dysfunctional areas with safe, gentle maneuvers called chiropractic adjustments, which have been shown to alleviate subluxations and associated health complaints.

## Education Foundation hosts 9th Annual TIE Gala

The Norfolk Education Foundation is hosting the ninth annual Together in Education & Distinguished Alumni Awards Gala on Wednesday, October 28 at the Norfolk Waterside Marriott. The foundation will recognize distinguished Norfolk Public Schools alumni who embody the mission possible spirit of public education; this year's theme is "mission possible."

A silent auction begins at 5:30 pm with dinner and the program beginning at 6:30 pm. The Together In Education Awards Gala draws approximately 600 attendees including business, civic and philanthropic leaders from the Norfolk and Greater Hampton Roads community. The Norfolk Education Foundation's annual gala is a fun evening celebrating Norfolk Public School students and NPS volunteers.

In addition to the silent auction fundraiser and dinner, the program includes a reception, opportunities for networking, performances by NPS students, remarks by civic and school leaders, and inspiring stories by students.

More information and ticket purchase are available at [www.norfolkedfound.org](http://www.norfolkedfound.org).

## Halloween Saturday October 31st

Halloween falls on a Saturday this year, with Trick-or-Treating in Norfolk allowed from dusk until 8 pm. Only children age 12 and under may Trick-or-Treat.

The Norfolk Police Department says the way to welcome trick-or-treaters to your home is by turning on your exterior lights. To keep the kids safe as they approach the house, remove anything a child could trip over such as garden hoses, bikes, toys, and lawn decorations, and ensure wet leaves are swept from sidewalks and steps.

NPD also warns that no treats should be eaten until first examined by a parent, and to report any suspicious activity to police immediately.

For a complete list of safety tips for parents and trick-or-treaters, visit [www.suburban23505.com](http://www.suburban23505.com) for the Norfolk Police Department's "Guide to a Fun and Safe Halloween."

**The Hurrah Players presents The Wizard of Oz**, the greatest family musical of all time...Based on L. Frank Baum's beloved original story and the classic motion picture, a timeless musical treasure for the entire family! Friday Oct. 9 at 7 pm; Saturday and Sunday Oct. 10 and 11 at 3 pm. T.C.C. Roper Performing Arts Center, 340 Granby St. downtown.

**The Little Theatre of Norfolk presents the Hampton Roads premiere of The History Boys**, by Alan Bennett every Friday, Saturday, & Sunday from Oct. 30 - Nov. 22, 2015. This dramatic comedy follows an unruly bunch of boys in a British boarding school who are, as such boys will be, in pursuit of sex, sport, and a place at a good university - generally in that order. In their efforts, they are helped by a maverick English teacher who seeks to broaden their horizons, and by a young history teacher who questions the methods, and the aim, of their schooling. In *The History Boys*, Alan Bennett raises - with gentle wit and pitch-perfect command of character - not only universal questions about the nature of history and how it is taught, but also questions about the purpose of education today. Tickets: Adult \$18, Senior Citizens, Students, and Military \$15, Children under 17 \$9. CURTAIN: Fridays & Saturdays 8 pm, Sunday Matine 2:30 pm. For information and reservations call 627-8551 or [www.ltnonline.org](http://www.ltnonline.org).

**Cedar Grove Cemetery Last Saturdays tours** (in Norfolk—just east of the intersection of Granby St. and Princess Ann Rd.). It's the oldest public cemetery that officially opened in 1825 but had its beginning a generation earlier—after the American Revolution. Come see how the landscape has changed over two centuries and how cemeteries become a portal to the past. "Last Saturdays" tours begin at 10 am on Sat. Oct 31. (Private tours may be scheduled as well). For info call Cheryl at 621-3710.

**28th Annual Town Point Virginia Wine Festival** Sat. & Sun. Oct. 17 & 18, Town Point Park downtown, 11 am-6 pm both days. Experience Hampton Roads' most anticipated Wine Festival of the fall season. Tasting tickets \$35 Sat. and \$30 Sun. (in advance). Gate admission also available. Tickets and info at [www.festevents.org](http://www.festevents.org).
